The way to grow your business

## **RETRACTABLE BANNERS**

A truly versatile option for any business.

Whether its using that 'dead space' in your showroom, trade show promotions or onsite presentations, these units set up in minutes & make an impact.

All our retractable banners come with easy to install poles, padded cases & anti-curl print media so you can be assured of a perfect print with no rounded edges like you see with some banner stands.

Available in 2 grades, economy & premium you have the option to use these temporarily or as a part of your ongoing presentations.

The Premium stands can also be reprinted which means that if your message or logo changes, no need to buy a new stand! Simply return it to us & we will reprint a new insert & replace into your current stand saving you dollars!
