If you own or manage a business, imagine the impact on potential clients a HUGE wall graphic behind your reception desk or boardroom wall would make in visualising your products or offer.

Better still, why not personalise your home with customised wallpaper using your favourite holiday photo or an image of your ideal holiday destination.

With a qualified in-house Graphic Design service, We can help you turn a blank wall into a talking point or revenue earner!

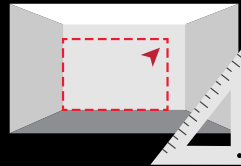

Some of the advantages of Inspired Wallpaper:

- Upload your own photo or choose from our extensive library
- Self-Adhesive (Peel & Stick) – no pasting or messy glue brushes
- Easy DIY install or we can professionally install
- Laminated, easy care & Textured prints available
- Repositionable media also available – perfect for leased or rental spaces
- Environmentally friendly utilising HP Latex technology
- Custom designed utilising any image (yours or ours), logo, theme or design.

1.

Choose an image from our library or upload your own

2.

Customise your image to your wall size

3.

Peel & stick the self adhesive wall art to your wall or we can do it for you
