ANTI-GRAFFITI

PROTECT YOUR GLASS AND BRAND FROM VANDALISM

ANTI-GRAFFITI WINDOW FILM

Shields graphics, surfaces, and windows from "tagging" (as graffiti is commonly referred to), vandalism, and damage.

Why waste time and money replacing windows? Anti-Graffiti Window Film helps prevent the damage in the first place by protecting surfaces against graffiti. With easy clean options.

Anti-Graffiti Window Film is a clear, distortion-free film for protection of windows, graphics, mirrors and other surfaces in retail, public facilities, and any street-level glass applications. Useful for interior or exterior applications,

If the film becomes scratched or etched, it provides an invisible barrier that can be removed and replaced as opposed to replacing the glass itself. The protection is clear and will not significantly alter the appearance of glass or any surface is applied to.

Anti-Graffiti Window Film Product Benefits / Options:

Gouge Resistant

Helps repel intentional attempts to gouge, deface, or destroy surfaces. Your glass remains unscratched.

Indoor/Outdoor use

May be applied to either interior or exterior locations such as glass, windows, and mirrors.

Easy to clean

Easy to clean without use of harmful an abrasive chemicals. Most graffiti comes off with a water based anti-graffiti cleaner.

Stubborn stains may require methylated spirits

HEAT REJECTION BY DAY. VIEW PERFECTION BY NIGHT.

By blocking out UV rays, window tints make the inside of an office significantly cooler and more comfortable, particularly during hot summer months.

Window tints also reduce glare from the sun for greater comfort for your eyes.

Blocking up to 99% of the sun's UV rays for added protection.

Window tints allow you to look out while making it harder for others to see in.
